Announcement

The Oral Medicine section wishes to welcome our readers to our new Associate Editor, Dr. F. John Firriolo. John is a Professor of Oral Medicine at the University of Louisville School of Dentistry and has been a member of the faculty since 1991. John currently serves as the director of the Division of Oral Medicine within the Department of Oral Medicine and Restorative Dentistry. He received his DDS from the University of Maryland in 1986 and subsequently completed a general practice residency at Staten Island University Hospital, New York. In 1991, Dr. Firriolo completed a residency in oral and maxillofacial pathology at the University of Maryland and received a PhD in oral pathology in 1994. He is a member of the University of Louisville Dental Practice Associates and practices oral medicine. He is active on the medical/dental staff at the University of Louisville Health Sciences Center, University Hospital, and is a member of the American Academy of Oral Medicine and the American Dental Education Association. Since August 2004 he has served as coeditor of the Medical Management and Pharmacology Update section of *Oral Surgery, Oral Medicine, Oral Pathology, Oral Radiology, and Endodontology*.
